

Summer Newsletter

Welcome!

Welcome to our Summer Newsletter. The start of the Summer term welcomed one new child into Nursery Reception. Suri Soto-Yanez has joined our Nursery and we hope she will be very happy in Wellington School Nursery.

Themes

Our Summer term is now well underway and we are working on our 'Fish' theme. We have already had some real fish in the water tray and a visit to a fishing boat is planned! As we consult with the children about what they already know and what they want to learn about 'Fish', the theme will take us under and over the sea!

Toddle Waddle

The Toddle Waddle in aid of the Meningitis Trust was very successful and so far we have raised over £700 – a wonderful sum! We would like to thank everyone for their very generous support to this worthwhile cause. The children really enjoyed participating and were very happy that so many Parents, Grandparents and friends were able to join us.

If anyone still has sponsorship money to hand in could you please do so as soon as possible.

Parents' Meetings

We have Parents' Meetings scheduled for this term. These meetings will be held in the Nursery and you are asked to make an appointment to meet with your child's key worker. Children's progress reports will be issued prior to these meetings. In addition, a meeting will take place in the Nursery on Monday 7th June at 2.00 p.m. for all Parents of children moving from Nursery Reception into Nursery Transition in Session 2010-2011.

Curriculum for Excellence

We have had a very good year with the implementation of 'A Curriculum for Excellence'. At present we are focussing on 'Outdoors Learning' and the children are really enjoying exploring outdoor learning opportunities. Many thanks for all contributions to the development of the Nursery garden. On Wednesday 9th June we will be visited by the assessors from the Eco School programme and we hope to achieve our first Green Flag!

Parental Questionnaires

In order to monitor and continually develop the quality of the Nursery provision, we seek your views on a range of themes. Attached to this newsletter you will find a questionnaire and I would be very grateful if you could spend a few minutes completing it. Once complete please return it to the Nursery in the envelope provided.
