Autumn Newsletter 1

Welcome

Welcome to the first newsletter of the new term and a very warm welcome to all new children and Parents. We hope you will be very happy in Wellington School Nursery.

Parental Questionnaires

I am delighted to tell you that the Parental questionnaire that I issued in June produced some wonderfully positive comments. Thank you to everyone who returned a form. I am in the process of writing a detailed report in response and this will be available next week.

Parents' Meeting

A meeting will take place in the Nursery on Friday 25th September at 2.00 p.m. when you will be introduced to Story Sacks, Nursery Rhyme Sacks and Minute Maths Bags. We hope you can come along.

Harvest Service

Nursery children will attend the Harvest service with the Infant Department on Wednesday 7th October at 9.15 a.m. in Carleton Turrets Hall. You are invited to send a piece of fruit or a small bunch of flowers with your child. These gifts will be taken to South Lodge Care Home by pupils in Primary 3 later in the morning. You are warmly invited to attend this event.

Name Labels

Could I respectfully ask that all children's clothes are clearly marked with your child's name? Now that many children are wearing the red sweatshirt it is very important that we can identify who they belong to!

Toothbrushing Programme

Barbara Stewart from the Dental Health Unit at Ayrshire Central visited the Nursery on Monday to set up the tooth brushing programme. Consent forms will be coming out to you shortly and then the children will begin brushing.

Hearing your views

We are always interested in hearing your views about the service we provide. In April 2008 we formed a Parents Group to meet with me on a regular basis to discuss the ongoing work of the Nursery and to bring forward suggestions and ideas from Parents. This has been a very important step forward in involving Parents in the life of the Nursery and was highly praised by the Care Commission in our last inspection. If you would be interested in joining our Parents group please speak directly to me.
